**METRONOM C**

* Magneto-therapy and homeopathy in a pocket device with memory space for bioinformation!

- **METRONOM C**
  - ... is world-wide the only magnetic-field pocket instrument with automatic basic program, four further single programs and now for the first time with an additional storage location for a so-called BIOWAVE*.
  - ... specifically tested frequency spectra (BIOWAVE) of homeopathic substances, nosodes, Bach flower remedies, etc. can be stored time and again.
  - ... with its automatic „sun“ program, it takes care of your wellbeing in a natural way. Four further programs can be used selectively in cases of lack of energy and exhaustion, lack of concentration and inattentiveness, restlessness, electric sensitivity and electromagnetic pollution as well as for relaxation.
  - ... belongs to the new generation of Zappers! METRONOM C automatically runs through all frequencies (in harmonics up to 10 MHz) from Hulda CLARK and Royal RIFE.
  - ... is robust, wear and maintenance free, handy, simple to operate and hardly bigger than a packet of cigarettes. It switches itself off automatically after 30 min. Even when used daily, the standard batteries last about half a year.

**NEW!**

- Now comes with a ampoule holder for the input of substrate oscillations (homeopathic substances and Bach flower remedies)

* AMS now has a database of over 6,000 digitized BIOWAVES. A summary of already digitized BIOWAVES can be obtained at www.ams-ag.de.
**Function - Application**

**METRONOM C** is battery operated (standard 9V block battery) and generates electromagnetic signals. Five programs (clock frequency in Hz) can be selected by pressing the appropriate button whereby BIOWAVE® data can be added to it if required.

Depending on your need, you can use your **METRONOM C** preventively one or several times daily by placing it near the thymus gland or the solar plexus. You can thus do a lot for your daily healthcare.

You can gain energy, wellbeing and vitality by stimulating, stabilizing and harmonizing the vegetative nervous system. You can activate, strengthen and accelerate your natural healing powers and support the detoxification of your body!

**METRONOM C® stabilizes and encourages the regulative capability!**

**Unique in the world!**

And look out for the arrow symbol!

Only the magnetic-field instruments developed by W. Ludwig of the institute for Biophysics in Tauberbischofsheim (Germany) generate the electromagnetic biofield which is a copy of the one in the undisturbed nature and in the correct relation (YIN-YANG equilibrium).

The frequency spectrum of the 64 essential trace elements is generated by a world-wide unique process.

No risk - You have the right to return it within 90 days with money-back guarantee!

You can test **METRONOM C** for a whole of 90 days. Should you not be satisfied, send the instrument back to us (without giving a reason) within this period. We will refund the purchase price (excluding postage and packing) on the condition that the unit is in perfect condition.

**Harmonic oscillations stimulate selfregulation!**

In contrast to all other instruments on the market, **METRONOM C** generates the following harmonic oscillations:

- **Schumann frequency - YANG signal:** Inherent oscillations of the earth’s surface / ionosphere
- **Geomagnetic frequencies - YIN-Signal:** Modulation of the earth’s magnetic field with the inherent frequencies of the 64 trace elements
- **Solar frequencies:** FM frequencies corresponding to natural sunlight

  - sun
  - power
  - YIN / YANG
  - moon
  - mobile phone

- **Clock frequency in Hz**
  - sun: frequency scan; decreasing from approx. 1,000 Hz to approx. 1 Hz, then starts again. A scan lasts about 2.5 sec. With harmonics up to 10 MHz.

  - relaxing
  - with Zapper function
  - e.g., in cases of lack of concentration, relief of pain, inattentiveness, weather-dependent unwell feeling, jetlag; for energizing watery foods
  - in cases of restlessness, for relaxation and inducing sleep
  - in cases of electric sensitivity, (e.g., working at PC), very relaxing, inflammation; Nogier frequency
